## Cloud2020 Limited recognised as finalist for 2016 Microsoft Cloud Customer Relationship Management Partner of the Year Award

Stonehouse, Gloucestershire, United Kingdom —31 May 2016 — Cloud2020 today announced it has been named a finalist in the 2016 Microsoft Customer Relationship Management Partner of the Year Award. The company was honoured among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

Ian Bourne, CEO, said: 'This is such a great achievement and a reflection on the hard work and innovative approach of the whole team at Cloud2020, of which I am very proud'

Awards were presented in several categories, with winners chosen from a set of more than 2,500 entrants from 119 countries worldwide. Cloud2020 was recognised for providing outstanding solutions and services in 2016 Microsoft Cloud Customer Relationship Management Partner of the Year Award. The Cloud Customer Relationship Management Partner of the Year Award recognises an exceptional partner who excels in providing their customers solutions for sales automation, marketing automation, social engagement or customer service. The award is designed for Microsoft partners who have shown both innovation and results related to selling and delivering Microsoft Dynamics CRM cloud offerings.

"We are honored to recognize Cloud2020 as this year's FINALIST of the 2016 Microsoft Customer Relationship Management Partner of the Year award," said Gavriella Schuster, general manager, Worldwide Partner Group, Microsoft Corp. "Cloud2020 is a prime example of the excellent talent we see in our Microsoft partner community to deliver innovative and transformative solutions to our mutual customers."

The Microsoft Partner of the Year Awards recognise Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year.

Cloud2020 was specifically recognised for its innovative Springboard solution that focuses Microsoft Dynamics CRM for the needs of Small and Mid-sized businesses. This fixed-price deployment model is enabling other Microsoft partners to offer enterprise-level CRM to their customers. Cloud2020 are localising Springboard in multiple languages and expecting to launch the product into France, Spain, Germany and Brazil by July 2016.
